Dear Fellow Disciples:

Greetings in the name of the One who makes all things new!

I pray that you and your family had a great summer! Between August 2015 to May 2016, Covenant Glen recorded one of its greatest periods in giving, soul winning, and membership. We have settled in and planning for a great Fall season!

The vacation season is quickly coming to a close and back to school is underway. The Summer months are a financially difficult time for all churches across this country because of vacations, camps and school preparation; Covenant Glen is no different. We have been operating at a budget deficit for the past 10 weeks. I am asking that you continue to support the church by giving 10% more or however the Holy Spirit leads you to give. You can give online at www.covenantglen.org, on Face Book, by mail or in person.

I am excited about the future of our ministry and the wonderful things God has in store for us. As a Church Family, I believe we will be empowered spiritually, socially, economically, educationally, and culturally. With obedience to the Word, we will continue to grow and build God's Kingdom. To strengthen and deepen your faith walk, starting Wednesday, September 7th at 7pm, I will kick-off the new bible study series entitled "**Breaking Generational Curses and Receiving Generational Blessings.**" I invite you to make this part of your calendar. Continue to fish for souls, bring others to church, circulate the commercial but most of all pray for our church and the world. May God continue to bless you and your family.

Your Pastor,

Dr. Robert E. Childress
