2021 SCHOLARSHIP APPLICATION

“Contribute to the need of the saints and seek to show hospitality” – Romans 12:13 (ESV)

Healthcare has become financially driven; medicine and insurance are expensive and our communities need individuals dedicated to caring for God’s people. The church is the body of Christ and as members of the body, we are committed to shifting the healthcare paradigm one professional at a time, through contributing to young Christians interested in healthcare.
