Vacation Bible School Wrap Up

What a success this years Vacation Bible School has been! Classes for all age groups were offered, and so many were able to come develop their knowledge of the word, and to fellowship amongst one another. None of this could have been possible without our VBS Coordinators and Teachers whom we are so grateful for! A special thanks to all attendees and volunteers!

LHMBC Troas Mission Team Serving in Haiti

To God be the glory! The Troas Ministry this year consisting of adults and students had wonderful services this week with various groups from Haiti focusing on prayer, vacation bible school, and worship experiences. Members of the team were busy all week preaching, teaching, and spreading love. Mission services were offered to villages in the area, and they hosted over 500 Haitian children on a soccer field where they sang, played games and lead bible lessons. The team also helped with the construction of a high school building. Look for more information about this awesome experience in the near future.
