

Letter of Recommendation for Ministry Web Design:

July 9th, 2010

Ultimatewebb has been a blessing to the ministry of Good Shepherd Baptist Church since the initial call we received from them. We'd been seeking a professional yet affordable web design that would be contemporary, relevant, yet practical. Ultimatewebb created a site that encompassed all of our needs.

Most of the designers we'd come across wanted to design AND maintain. The greatest advantage of Ultimatewebb was that not only did they design an absolutely beautiful website, they supplied all of the tools that allows us do all the updating and maintenance of the site when and how we need.

The learning curve was VERY minimal. Their customer service and attention parallels nothing I've seen in a web design company. Response to our requests, questions, and concerns was exceptional. Although the design is complete and launched, they have not left us "hanging". Ultimatewebb continually offers help and adds additional reasonable functionality as we need it.

I highly recommend Ultimatewebb as a web solution for any Ministry.

Be Blessed,
