Jesus said in Matthew 11:28, "Come to me, all you who are weary and burdened, and I will give you rest" What a privilege we have been given to take our burdens to the LORD and leave them there. After all, HE is a Way-maker, Miracle Worker, Promise Keeper, Light in the darkness, our God that is who He is! To God be the Glory!

Tips on the new Coronavirus • [www.cdc.gov/covid19](http://www.cdc.gov/covid19) is a reliable source of information

- Avoid close contact with those who are sick
- Avoid touching your eyes, nose and mouth
- Those who are sick have symptoms like a cold or the flu- fever, dry cough, body aches
- If you are sick, stay home (do not go to work, church, or visit the sick or elderly)
- Cough or sneeze into your elbow or a tissue, then throw the tissue away
- Stay hydrated and monitor your health. Most people will get well in several days. Consult your doctor if it becomes more difficult to breathe after a few days
- We are still in the flu season. If you develop a fever, cough and body aches it may be the flu. If you have not gotten the flu shot there is still time (unless not recommended by your doctor).
- Washing your hands with soap and water or an alcohol based hand sanitizer is a good way to protect your health
- Wash your hands for at least 20 seconds with soap and water after you cough, sneeze, or blow your nose
- Disinfect objects that are commonly touched such as door handles and light switches

The majority of people infected with this new virus will recover from it. Some of those infected may develop pneumonia which results in difficulty breathing and can be serious.

2. Don't preach a sermon; invite them to attend.
3. Post on social media about your weekly experience at COTH.
4. Send personal invites via social media or email.
5. Wear your Church of the Harvest T-Shirt once a week (not including Sunday or around the house).
6. Share your personal story!
7. Host a meetup with those who share your interest and create an indirect way to invite them to church.
